

RIB accidents

Reporting requirements in Sweden

Mandatory reporting requirements of accidents

Merchant, passenger, fishing and all other type of commercial vessels

Swedish flagged all over the world and foreign flagged in Swedish territorial water

RIB accidents

We know there is a large number of incidents not reported

From 2004-2017 we have 36 reported accidents

Allmost of them very serious or serious, few incidents or near misses

Iceberg model says that on 1 very serious accident there are 29 less serious and 300 near misses.
