An aerial photograph of a dark-colored speedboat moving across a body of water. The boat is leaving a white wake behind it. The surrounding land is covered in a layer of snow, with some patches of green moss or lichen visible on the rocks. In the distance, another person is visible on a small island or rock in the water. The overall scene is serene and suggests a winter or early spring setting.

**TO BE THE WORLD LEADER
IN SUSTAINABLE POWER SOLUTIONS AT SEA**

An aerial photograph of a narrow fjord or inlet. The water is a deep, dark blue-grey. The surrounding land is composed of light-colored, craggy rocks, many of which are covered in a layer of snow. A small, dark motorboat is moving from the right towards the left, leaving a white wake behind it. In the distance, another small boat is visible on the water. The overall scene is serene and scenic, capturing a moment of travel in a rugged, natural environment.
